Natascha Stull

How to Request an Extension

- You must submit extension requests to your Student Success Coach: Maria or Jessica.
- Extension Requests must include: a detailed work plan with your extension request showing exactly which date you will be submitting each outstanding forum, quiz, assignment, paper or test.
- Your Student Success Coach will then coordinate with the instructor and director regarding the required allotted time to complete the week's work.
- You must request an extension BEFORE the last day of the course, which is always Thursday of Week 3.
- Decisions are emailed to your email address on record, so you must remember to verify and check your email for extension details.

Your colleagues love to see what their fellow classmates are up to. If you have a life event you would like for us to showcase in the monthly Gazette, email us at: npalmieri@valley.edu

THE VALLEY COLLEGE ONLINE GAZETTE

Introducing Amy Castle, Director of Career Services

Amy Castle is our new Director of Career Services here at Valley College. Amy is a proud twenty year resident of Berkeley County and has watched this area along with Valley College change, develop, and grow. By utilizing her knowledge of marketing, business development, and community involvement she will work with Brian, Placement Advisor, to help you get a job after graduating.

A few fun facts about her: She's been married to her wonderful husband for 18 years and has two daughters, one that is a freshman in college studying nursing and one that is a freshman in high school. She enjoys spending time with her friends and family (including 7 animals), being involved in community events, shopping, and running.

She's looking forward to working with each of you!

"Thank You" Letter from Rachel Miller

My decision to attend classes at Valley College has made a huge impact on my life. I am now a college graduate with a nationally recognized certification in the medical field. I loved Valley College for their no nonsense programs and dedicated staff members. Valley College will help you succeed every step of the way.

I will be starting a new career chapter as an Office Staffing Associate in Beckley, WV soon, where I will train and recruit new employees.

Thank you, Valley College!

Step-Up Students

Congrats to these students for making use of the Step-Up Scholarship!

Audrianna Hammonds - MCA

Thedia Harris - MFOBC

Billie Jo Mullins - MCA
